2016 Board of Directors

Board changes are bittersweet. We must lose good people in order to gain good people.

Steve Spero's term as president expires at the end of the month. We are thankful for the time and energy he has shared with us over the past 6 years. He plans to remain active with the Friends and is already signing up sponsors for our April 2016 volunteer work days.

Evan Mann and Tom Stoll have accepted the positions of president and vice president, respectively. They have been active with the Friends for several years and bring much experience and interest to the board.

In 2016 the board of directors will be composed of Evan Mann, president; Tom Stoll, vice president; Jack Maynard, treasurer; Mary Butler, secretary; and Susan English, Robert Fearnley, Mike Hornak, Richard Jordan, Jim Kessler, Barbara Merritt, and Tom Norville, directors.

Simple Pleasures of 2015

It is easy to feel overwhelmed at this time of year. There's not enough time, or money, or space, or ideas, or or or. . . . So let's set aside the hustle and bustle of life a week before Christmas for a few minutes, take a deep breath or two, and remember that life can be full of simple pleasures and you can find them at Salt Springs.

A snow picture for those craving snow at this time! February 28. Steve Bruno and others came out to enjoy a crisp, sunny afternoon snowshoeing through the park.

The new North Creek Trail. Blazed in June, it's the perfect place to get away from it all.

July 9. This is what we do at Salt Springs. Someone summed it up well with chalk and rocks at the pavilion.

August 8. Sara Powell and Casie Gunderman chose to begin their lives together as a married couple at Salt Springs Park.

August 15. There's always lots of Peace, Love, and Drool (and places to lounge in the shade) at Salt Springs, especially during Woofstock.

September 5. No, we don't get many armadillos at the park, but when we do, they're fun!
