## Another Successful Year

Every year thousands of people enjoy the many facets of Salt Springs Park. Here is a short retrospective of some visitors' comments and photographs shared during the past year on Facebook and in our cabin books.

We hope they will inspire you to both share your experiences with us as well and to return, many times, in 2017.

Merry Christmas to our cherished Friends. Happy Holidays and Happy New Year to all!

## From You . . .

*"I was at your amazing park in August... the experience kinda changed my life... :) I'm 53 years old and never did anything by myself... I stayed in one of your cabins-- alone for 5 days... the experience was very empowering and I will always have fond memories of Salt Springs... AND I drove 4 plus hours from Lockport, NY!"* —Helen Wodka, Facebook

*"Always a blast coming to Salt Springs to play. Thanks for all the great work you guys do."* —Glen Sky, Facebook

(Glen has a knack for balancing rocks, and you will see his artistry in park streams.)

*"An amazing band!! Thank you for such a great way to spend a Friday evening."* —Valerie Genneken, Facebook

(We provided a free evening concert featuring the traditional Irish music of the Celtic Martins in August.)

*"What a beautiful, tranquil experience, thanks to my son C— who was unable to be here. He generously allowed us to share the beauty and experiences that Salt Springs offers."* —B.C., Cabin book

*"Got my nest box up! Thanks for the great workshop."* —Kelly Finan, Facebook

(Kelly attended our annual March nesting box program to build a bird box and take it home.)

James Joseph Schoffstall and his two kids and Colleen Murray and her husband and kids and some friends.... They all made a long weekend of it this summer, three times! Thanks for all the pics you posted on our Facebook page, and kudos to Bill Weber, the photographer.

*"Salt Springs is the perfect escape from home and it's wonderful to spend time with loved ones without any technology! This was a restful vacation. May your time here be filled with just as much splendor and adventure as mine. Thank you friends of Salt Springs!"*

—Unsigned, Cabin book
