Salt Springs Celebration

Saturday, September 1, 2018

11 – 5

Every Saturday of Labor Day weekend, the Friends of Salt Springs invite the public to the park for a day of food, fun, music, friendship, and more.

Bands play on the front porch. Surrounding tents and tables offer activities for people of all ages, animals, displays, and items for sale. A Silent Auction takes place in the Carriage Barn, and hikes and other activities are scheduled throughout the day.

We are the only nonprofit volunteer organization to manage a Pennsylvania state park. We get no direct support from the state. We formed in 1994 after learning that the historic buildings might be burned down. We now fund and maintain the 405-acre park plus our own adjoining 437 acres.
