

2016 Volunteers of the Year

Donna Foster

Betty Marshall

In 2011, when we asked Betty to be a Weekend Host, she said yes and immediately enlisted her friend Donna. The two have hosted together ever since. And, not only do they sign up for more hours a summer than we ask for, but they always help us out during the Celebration, too.

We are fortunate to have them, as volunteering is part of their way of life. Donna has volunteered for the county library, the Red Cross, and Interfaith, and “Salt Springs is my favorite.” Betty also gives her time to the county library and to her church.

Betty values her time at Salt Springs for the opportunity to both enjoy the quiet and the beauty as well as meet new people from near and far. For Donna, it is a way to give back to her community.

An important part of being a Weekend Host is to ensure that visitors enjoy their experience here. “Hi, Aunt Betty, when are we going to Salt Springs?” is a familiar greeting of one of Betty’s nephews—and just one indication that these friends are an invaluable asset of Salt Springs and the Friends.

A heartfelt
THANKS
to all our
